WORD FROM THE PRESIDENT

The Central States Numismatic Society should be worthy of the classification — "Second only to the A. N. A." Why is this not so, is a question I have asked myself many times in the past seven years. We have a fair share of the "cream of the crop" as well as many noteworthy youngsters in our membership. We are strategically located for growth and action in numismatics, but we don't have enough of either being demonstrated.

In this issue (I hope they found room) is a set of well expressed reasons on why you should belong to this organization. I hope you will read them. Possibly you might add another reason to the list.

Please peruse the bylaw changes listed in this issue and up for consideration

at the regular Society meeting on Saturday April 27, at 10 A.M. I urge each member to be at this session. This is your once a year chance to "speak your piece for or against" what your officers are up to for the good of the Society.

Three of our Life Members were duly honored on the Assay Commission at the Philadelphia Mint this year, Matt Rothert, Ray Lefman and Elston Bradfield. Fine work, boys.

This has been a long, cloudy, cold, snowy and disagreeable winter, and as I write this on March 13 (not Friday though), it is still cloudy, disagreeable

Dr. F. Stevens Epps

and snowing outside my window. No robin has yet dared to show himself or herself on my premises, but in six weeks the Ruler of this universe will change things, and we will be making plans to attend the 21st annual Central States convention in the "windy city," the good Lord willing.

May I express personal thanks to all my official family, and to all members who have written me this past year with suggestions and words of help.

—**Dr. F. Stevens Epps,** President

SECRETARY'S MESSAGE

The April **Centinel** has a complete list of members in good standing as of March 15, 1963. Memberships received after that date, and other changes, will appear in the July number. Please check your name and let us know about incorrect spelling and addresses. Give us zone numbers, too, a real help to mail carriers. If you use printed address lables to affix to envelopes, send along a sample which we can paste on the ledger page when you mail us your dues.

This time we are sending you a return envelope to use in remitting for dues — it does require a postage stamp. We hope you like it.

With each new 1964 card you will find an application blank. If your club is not yet a member, please bring the application blank to a meeting and sell the idea of membership. Sign up your friends, too.

Your officers are anxious to have your ideas for making CSNS a bigger and better organization. Let them hear from you. Four issues of the **Centinel** a year are a big chore. Editors Bradfield and Atkins welcome contributions from their readers.

—**Paul E. Olson,** Secretary

BOURSE VISITORS MUST REGISTER

At the April 30, 1961 meeting of the CSNS Board of Governors, the following was adopted:

"Any person wishing to visit or enter the bourse at future conventions must be registered and present a badge for entrance. The host club is to furnish a constant door guard with this order."

Some of the reasons back of this rule are that (1) it helps to eliminate undesirables from the bourse; (2) it helps the host club with added registration fees; (3) it eliminates many who come and enjoy the entire convention without paying a red cent for the priviliges they enjoy which are financed by members and visitors who do support the convention by registering; (4) it definitely means a safer convention for the dealers for the potential thief will be deterred by the signiture and badge identifications; (5) it does not prevent visitors from attending the convention and exhibits.

WHY YOU SHOULD BE A MEMBER OF CENTRAL STATES

The Central States Numismatic Society, second only to the American Numismatic Association in importance and prestige, invites you to membership. The following benefits and advantages of membership in this outstanding numismatic organization are offered for your consideration:

CSNS Conducts The Nation's Second Largest Annual Numismatic Convention

The annual Spring convention does not compete with, but supplements the ANA Convention. Many Midwestern collectors with a choice of only one major show prefer the CSNS meeting because of savings in travel and maintenance costs. Midwestern collectors can take in this major convention during a weekend without loss of working time.

The 1962 CSNS convention attracted 109 of the nation's leading dealers who purchased bourse tables and provided a major market for the purchase, sale and exchange of coins and numismatic material. This convention also attracts the nation's top exhibitors competing for the coveted CSNS awards traditionally noted for their beauty.

Any Central States City Has An Opportunity To Be Host To The Annual CSNS Convention

A community with enough CSNS members can petition to hold the convention in their city. A CSNS Convention in your town increases public awareness of the hobby, and brings prestige to your club and officers. The way to bring a convention to your city is to have a strong core of CSNS members. CSNS is anxious to rotate the convention to cities which have not previously served as host.

The Annual CSNS Auction Is Conducted By A Leading Professional Dealer

He features excellent material, a professional auctioneer and a quality printed catalog with a distribution to thousands of collectors.

The Centinel — An Outstanding Numismatic Journal

This is distributed four times a year to CSNS members. This journal contains original articles from prominent numismatists and also serves as a news medium for the Midwestern collector.

CSNS Display Cases Available To Members

Local clubs and conventions may rent reasonably exhibit cases from the vast CSNS stock. Because we are a regional organization with geographic proximity, shipping, costs of exhibit cases are generally less expensive to the member club than the cost of transporting ANA cases.

A Strong CSNS Provides A Measure Of Control Over Dealers, Collectors And Clubs

With the growth of CSNS, machinery is developing for the adjudicating of disputes, publicizing of unscrupulous and illegal practices and the coordinating of conflicting dates for local club shows and meetings. Only members may exhibit or purchase bourse tables.

The Lowest Dues Of Any Major Numismatic Organization

For your two dollar membership dues you become identified with the leading numismatic organization in your area. Rub elbows with and enjoy the fellowship of the leaders in your hobby. Many of them first achieved national prominence through their activities on the regional level.

CSNS provides the warmth and friendship you find in your local coin club — "Red Carpet" treatment for every member.

IN BRAZIL

The Brazilian cruzeiro is currently quoted at six hundred to the American dollar. Congress has authorized five cruzeiro coins none of which has been minted since 1942 and five thousand cruzeiro notes never before issued.

TOKEN GROUP TO MEET

Chicago Area Token and Medal Society will hold a special meeting in the Sheraton-Chicago Hotel during the CSNS convention. For information, get in touch with Joseph Mark Kotler, 725 Greenleaf Ave., Glencoe, Illinois.

CHICAGO CSNS CONVENTION APRIL 26 - 28

The Chicago Coin Club promises a "Chicago Style" show as it plays host to the Central States Numismatic Sociey's 21st annual convention April 26 through 28, at the Chicago-Sheraton Hotel.

Occupying two floors of the ultra modern Chicago-Sheraton, the three day show will be big in every way. In addition to over 10,000 square feet of exhibit space, the show will feature a bourse made up of America's finest coin dealers and a two session auction conducted by the Rare Coin Company of America, 77 W. Washington Street, Chicago 2. To make doubly sure that interest always runs high, Chairman Harry X Boosel, the man who put the "click" in the 1961 three-day Fall Festival in Chicago, has a whole bag of surprises. One of these is a big twenty gold piece drawing.

Exhibitors, in all classifications, will vie for some of the finest awards ever offered. If you have not yet reserved exhibit space, be sure to do so by writing Exhibit Chairman Tom Nolan, 720 Buena Terrace, Chicago 13, Ill.

Feeling that the backbone of any convention is the auction, the Rare Coin Company of America is seeing to it that the catalog contains not only prize

items but something for every taste and budget. The first auction session will be on Friday and the second on Saturday. Plenty of catalogs are promised, and special efforts will be made to see that successful bidders can pick up their material quickly and easily.

The Educational Program on Saturday will be an interesting feature of the affair. Glenn Smedley will moderate the three speaker program. Simeon Wilson, well known Chicago Postal Inspector, will give an illustrated talk on forgery and counterfeits. A coin-slide quiz will be conducted by Mike Dolnick, ANA Custodian of Slides, in which everyone will have a chance to run their knowledge into some fine prizes.

There will be activity aplenty to interest the ladies attending. Where-to-shop and what-to-see-and-do information will be provided, as well as a lounge for coffee, cards, and visiting. Ladies will especially enjoy a special Fashion Show brunch in one of Chicago's leading department stores.

And remember the Saturday night banquet at 8:00 P.M. Its a bargain at $7.50 with the "piece de resistance" a gourmet's delight, something you have not seen at any other numismatic convention dinner.

The Chicago-Sheraton, scene of the convention, is located in the heart of Chicago's "Magnificant Mile" and is but a step away from fine stores, theaters, and restaurants. It offers the finest service at thoroughly reasonable rates . . . no extra charge for in-the-hotel parking. But get your reservations in now, as space is not unlimited. Write Chicago-Sheraton Hotel, 505 North Michigan Ave., Chicago II, Ill., and mention that you will attend the CSNS Convention.

RICHARD HAAKON ROSHOLM, CSNS No. 39, DIES

Services for Richard Haakon Rosholm were held September 27, 1962 at Grays Lake Ill. A native of Oslo, Norway, he had lived the greater part of his life in Chicago, and for the past 24 years was a resident of Grays Lake.

Mr. Rosholm was a member of the Ancient and Accepted Scottish Rite Valley of Chicago, the American Numismatic Association, Central States Numismatic Society, and many coin and collector clubs. As a numismatist, he specialized in strange and unusual currency, and his exhibits won many prizes.

He is survived my his widow, Marie; his mother and a brother of Oslo, Norway.

U. S. SMALL NOTES PROPOSED IN 1862

"Government bonds are at a premium, even before the Tax Bill is perfected, and the Assistant Treasurers of the United States are obliged to decline deposits of demand Treasury Notes at four per cent interest because of their redundance. It is now proposed to issue $25,000,000 of Treasury Notes of small denominations, 1's, 2's, 3's, to replace the trash of the multitudinous small and 'wild-cat' banks throughout the country — "A confirmation devoutly to be wished!" The Western members of Congress generally favor the proposition. They would prefer specie to small notes, but they say no such choice is left them. It is simply between Government small notes and those of distant and doubtful banks. It is said that Mr. Chase favors the plan, and the Senate Finance Committee is known to do so. Of one thing Congress may be assured, viz., that the people are in favor of small notes, and that brokers and shavers are not." **Frank Leslie's Illustrated Newspapers, 1862.**

DEAR MR. JONES

Dear Mr. Jones,

I am writing you as a fellow member of the Central States Numismatic Society. I know you are a busy person with your time limited, so I shall attempt to be brief in my remarks to you.

I am concerned for the health and welfare of your organization, second in size only to the American Numismatic Association, but as loosely knit as the socks my grandma, may her soul rest in peace, made for grandpa. How can we build our organization to develop the "esprit de corps," the camaraderie, the strength which lie dormant within? We're sort of like grandpa's farm — a lot of acreage, but so poor you couldn't raise a fuss on it with a gallon of whisky!

How about a dose of competition? Wouldn't club exhibits at our conventions give an opportunity to gain recognition for the efforts of club officers and members? We have a lot of good ones, but we seldom, if ever, hear of their activities and their efforts. Someway, they should be publicly saluted at our annual meeting. Maybe a suitable, traveling trophy would serve as an incentive.

In any event, Mr. Jones, I wish you could find time to write me your comments, because you are one of the most respected persons in our family, and your opinions are invaluable. I hope you not only like this idea, but that you will also pass along any you have to build the image of our Central States Numismatic Society. May I hear from you?

Sincerely,

Mr. Smith

PROPOSED CHANGES IN CONSTITUTION AND BYLAWS

Proposed changes in the constitution and bylaws to be published in the April **Centinel** and voted on subsequently at the general business meeting at the Chicago convention April 26-28, 1963:

Constitution

Section 4 of Article I of the constitution in its present form is hereby completely deleted. New Section 4 of Article I of the constitution shall read as follows;

Any person who has attained the age of 21 years and is of good moral character shall be eligible for regular membership. Any person under 21 years of age and of good moral character shall be eligible for a junior membership. Said application for junior membership to be endorsed by a parent or a guardian. Numismatic clubs in the Central States area, as defined in Section 2 of this constitution, shall also be eligible for membership.

Bylaws

Section 4 of Article II of the bylaws shall remain in its present form, but with this addition to said section 4 of Article II:

Applicants for junior membership shall be "proposed" in like manner, and there shall be affixed to or included in the application a written guarantee of his (her) dues signed by a parent or legal guardian of such applicant.

Section 4 of Article III shall be amended as follows; Delete "$50" and in lieu thereof insert $200.00.

Section 9 of Article II, delete "month of May" and in lieu thereof insert "month of April or May."

PURPOSE OF A REGIONAL ORGANIZATION

The constitution of the Central States Numismatic Society enumerates that its purpose is to "promote the science of numismatics; to aid its members in the study, acquisition and exhibition of numismatic material; to co-operate with all numismatic organizations, including individuals, in the science of numismatics." To this end the Society publishes this quarterly journal and conducts an annual convention.

Tthe principal attraction of C. S. N. S. is the annual convention. This showplace of commercial activitly does not surprisingly little to advance our so-called "science." The displays are on the whole good, but an actual educational forum was only added last year at Milwaukee. Few members will argue that the typical convention places ninety per cent of its emphasis on the buying and selling of coins. I can see minutely little connection between this and the actual science of numismatics. Some may argue that the con-

ventions would be complete failures without the bourse and auction, but I think this calls for careful examination of our purposes as a scientific body.

If we want this ninety per cent emphasis on the buying and selling, why not rename the group "Central States Coin Exchange," "Midwest Annual Coin Bourse," or Yearly Swap Session of Middle America." Many collectors wouldn't mind this as they gather any time a roll or bag is put on the auction block. The numismatic scientific, researcher would drop from sight, and the investor will reign supreme as our so-called numismatic scientist.

Now the question comes up — what can the Central States Numismatic Society do to promote the science of numismatics? With the firm belief that there are at least a few numismatic research minded persons, I propose several approaches. First, sponsor an annual research award for original papers on numismatic subjects. Second, I feel we are missing an important part of our purpose by not placing emphasis on the numismatic material of the Central States area. All of the national numismatic organizations now active have as part of their purpose the scholarly research into local numismatic subjects. Our scope encompasses an area rich in historic numismatic specimens. We should endorse with an award literary papers on the Central States objects. Thirdly, and perhaps most important, we add scientific numismatics to our conventions. This can best be done by expanding the reading of papers and closing the bourse and auction during this period and during the educational forum period.

Must scientists and scholars compete with coin dealers? Should a bargain in BU lob-glob cents be more important than our science? I'd like to compare scientific numismatics to American Universities today — both have a heavy commercial aspect, high-priced football in colleges and coin hustlers in numismatics, but the scholarly facets of both are vastly more significant and must be encouraged.

—Joseph Mark Kotler

EXHIBIT RULES FOR 1963 CSNS CONVENTION

The rules and regulations governing numismatic exhibits at the Central States Numismatic Society's 21st annual convention, Sheraton-Chicago Hotel, April 26, 27, 28, 1963, are:

WHO MAY EXHIBIT—Any collector of numismatic material, who is a member of any national, regional or local club, may enter an exhibit at the convention. Installation of exhibits will start at 9:30 A. M. Friday, April 26th and any exhibits intended for competition must be in place not later than 12:00 noon Saturday, April 27th. Exhibitors should indicate on their appli-

cation the approximate time they expect to install exhibit. Permission to remove any exhibit prior to the advertised public viewing hours must be obtained from the exhibit chairman, otherwise exhibits may only be removed after 2:00 P.M. Sunday, April 28.

ELIGIBILITY—For an exhibitor to be eligible for the use of display cases, an entry blank must be filled out and sent to the Exhibits Chairman at least fifteen days prior to the opening of the convention. Exhibitors must indicate whether or not their exhibits are to be entered in competition and the class in which their exhibits are to be judged. All exhibits must be bona fide property of the exhibitor. All numismatic items not genuine should be properly described. CSNS members only are eligible for awards.

ASSIGNMENT OF CASES—Cases will be assigned in the order of receipt of entry blanks and the number of cases allotted to each exhibitor shall be left to the discretion of the Exhibits Committee. "Exhibits" shall be numbered. Unless cases reserved for exhibits are used by noon, Saturday, April 27th, such unused cases may be reassigned to other exhibitors. An exhibit identification card will be prepared by the Exhibit Committee and will be placed inside the case in a conspicuous location. These cards will enable the judges to determine the class in which the exhibit is entered or indicate when an exhibit is noncompetitive. All cases will be locked by the Exhibit Committee and keys kept in the possession of the committee.

NO SINGLE EXHIBIT may be entered in more than one classification, and only one exhibit may be entered for competition.

SECURITY—The Central States Numismatic Society and the Chicago Coin Club Convention Committee shall provide police protection and insurance 24 hours a day covering the exhibits from the time the convention starts until the official closing time. Precautions will be exercised at all times, but no liability shall attach to the Central States Numismatic Society, its officers, members and/or committees either in their respective official, or individual, or personal capacities; or the Chicago Coin Club as host, its officers, members and/or committees enther in their respective official, or individual, or personal capacities by reason of any loss, or damage, whatsoever sustained either directly or indirectly in connection with the exhibits and/or convention.

COMMERCIALISM—Exhibits for commercial purposes are prohibited, although an exhibit may be made by a dealer and his business card may be displayed as identification.

AWARDS—To stimulate the making of exhibits, those exhibits entered into competition will be reviewed by a committee of three or more judges. Decisions of the judges shall be final. Judging shall be done as early in the convention as practicable and, if exhibits are deemed worthy, best of division (classification), first, second, third place awards shall be made in classification. An award will be made for the exhibit named by the judges as "best in show," which may or may not go to one of the winners of the place awards.

CLASSIFICATION OF EXHIBITS:

1. United States coins
2. Foreign coins prior to 1500
3. Foreign coins after 1500
4. Paper money
5. Medals, tokens, orders and decorations
6. Miscellaneous, specialized and other exhibits not covered by class 1 to 5, inclusive.
7. Ages 16-21. New. (Juniors may enter in any of the above classifications, but will not be designated as "Juniors," and will compete as any other member.)

POINT SYSTEM OF JUDGING—Exhibits shall be judged on a point basis. Points shall be determined by use of a table of standards.

NOTE: Comparative completeness and condition will be judged on the amount of exhibit space used in relation to the exhibitor's description of his exhibit and in relation to the class in which entered.

COLLECTING JUST FOR FUN, NO PROFITS IN SIGHT

So many clubs have issued medals, tokens, scrip, wooden "nickels" that a large and interesting collection can be formed. Wouldn't several years of convention badges be interesting?

Canadian dealers brought military cap badges of famous British and Canadian Regiments to recent conventions. They are colorful, literally, using heraldic animals, etc. and many of the regiments are famous in history. There is as much governmental authority behind them as orders and medals. And they are inexpensive.

PREVENT UNNECESSARY WEAR AND TEAR ON YOUR SPEAKERS

For some years the Northwest Coin Club has reversed the usual order of business by opening at eight o'clock with its featured program. This is mainly a convenience for visiting speakers, as they do not have to sit through the business routine unless interested. Thus, they face a fresh audience, and do not have to watch the "have to go home early people" drifting away. Also, the speaker does not have to waste time if he had another appointment.

NEW BOOK ON NUMISMATICS

The American Numismatic Association has just released its long awaited revised, rewritten and re-edited booklet on coin collecting. The original monograph, published in 1948 and out of print for sometime had thirty-

two pages. Entitled **Introduction to Coin Collecting,** some of its articles were found to be as fresh and useful today as when written and required little attention. Some needed updating or rewriting. A number of entirely new articles were prepared which necessitated an additional sixteen pages bringing the total to forty-eight pages. The title was changed to **Introduction to Numismatics** to indicate the broadened scope.

Nineteen contributors wrote or revised each chapter. Coordinator of the project was Glenn B. Smedley; Editor was Elston G. Bradfield.

Novices and juniors, as well as old timers, will find this booklet helpful and stimulating. Its cost has been kept at a minimum so it may be widely circulated.

Price is $1.00 each. Orders accompanied by proper remittances should be directed to the A.N.A. Librarian, John J. Gabarron, Box 3011, Lincoln 10, Nebraska.
